About Me

I am a creative Sophomore at CU Boulder obsessed with creating anything and everything. I am the second oldest of 7 siblings and grew up in Colorado. I love hiking, being outdoors, and playing violin on Pearl Street. I can do almost anything with a bit of training and always with a smile on my face. I am up for a challenge, whether it comes to using new mediums, watching large groups of kids, organizing information, designing something new, or talking to new people. I have been to lots of schools and been around many different people which makes communication easy for me.

Skills

- Design
- Creativity
- Organization
- Leadership
- Problem Solving
- Rebound-Attitude
- Positivity

Education

BS Creative Technology and Design

Colorado Boulder

2024-(expected 2028)

As a CTD Major I am learning how to design using softwares like Photoshop, Blender, Solid works, Figma, Illustrator, Sketchup and many more in the years to come. I am also learning how to present myself as an artist and designer and how businesses think.

Highschool Diploma with Highest Honors

Holy Family Highschool

2020-2024

In high school I was captain of the tennis team, 1 singles (senior), first chair in violin (senior), elected member of the student council (soph-senior), a student ambassador (soph-senior), president and founder of Bullet Journal club (senior), Vice president of Art Club, National Art Honor Society Member (senior), and National Honor Society Member (soph-senior)

Experience

Front of House

Illegal Petes

2025- present

- Delivered exceptional customer service in high-pressure environments on the Hill
- Learned the menu and relayed that information to customers when they inquired
- Work fast and diligently on hectic shifts
- Made sure to be positive with all of my coworkers when it got stressful and high demand
- Restocked cold and hot items
- Closed the front of the burrito line (mopping, scrubbing, weighing the waste)

Artisan Worker

Baker Studios

2020-present

- I pick up trash, organize shelves, and the shop
- I work on projects that consist of painting, gluing, cutting, sanding, and putting together pieces that will go up into churches
- I have been taught how to work the CNC machine, so sometimes I watch it to make sure everything is being cut correctly
- I help on install trips, where we move large pieces of marble and other materials into the church.
- Proven ability to learn quickly and adapt to new situations.
- Worked well in a team setting when moving large pieces on our installation trips

Camp Counselor Dawson School

Summer 2025-present

- Supervised daily games, ensuring safety and engagement for all campers. I made sure that all of the kids felt included
- Developed and implemented creative programming that fostered teamwork and communication among participants.
- Facilitated conflict resolution among campers, promoting a positive group dynamic
- Oversaw dynamics between the kids and made sure to minimize conflict

Pottery Shop Employee

Color Me Mine (The Orchard)

Feb-Nov 2022

- Loading/unloading kiln
- Cashier
- Welcome customers into the studio
- Restocking Pottery shelves
- Host Birthday parties for ages 3+ years
- Assist customers in painting
- Close and open the store
- Work with coworkers in back
- Seat customers at table
- Dishes
- Take out trash
- Paint words on pottery
- Glaze pottery
- Package Orders
- Schedule parties on phone
